Reception in the Netherlands, 1828-1830. In-person

To presenters and chairs: Each presenter will have 15 minutes to present. Questions and comments will be addressed after all presenters complete their presentations at the end of the panel. If presenters are using PowerPoint or other materials, please send them to the Chairs the day before the panel to avoid technical difficulties. We ask the chairs to provide a 5 minute and 2 minute notice to each presenter, letting the presenters know when their 15 minute timelines are up.
